

**VP PROVINCIAL PROGRAMS/TIERING  
KIM TASCHUK  
September 10, 2009**

*As the new season is getting under way, there is not a lot for me to report at this time. There have been 4 Sanctioning applications submitted as of September 10, 2009*

- \*Pacific Ring AA Feb 5-7,2010 in Salmon Arm.*
- \*Fraser Valley Spirit of Winter December 11-13, 2009*
- \*Kelowna Sweetheart February 11-14,2009*
- \*Naniamo Masters Nov 20-22,2009*

*None of the tournaments have been Approved for sanctioning, I will meet with Laura Watson Tech Director to update and do some house keeping of this policy first with the implantation of the new LTAD.*

*Tiering, with the LTAD do we form a committee to update or change the tiering policy and team formation in the policy manual, hopefully we can discuss at our September meeting.*

**Questions for the Board:**

- \* are we going to allow the U7, U9 and U12 to compete in tournaments*
- \*with Petite not being tiered will we have a year end for the province like provincials or have each league host a year end*
- \*Novice we will we have each league to host a year end wind up*

**Provincials**

*I have spoken with Madeleine Crandell in PG regarding possibly hosting provincials, she will look into the ice the problem being BC Winter games being held March 5-7/ and then Westerns, March 12-14 maybe only option but would have teams going North twice in a couple of weeks.*

*Bob Saito of SWR has sent some interest in hosting the Petite year end, at this time he only has 36 sheets of ice again I am trying to get me information from SWR, will follow up to the board as soon as I have more concrete information.*
